

Identity Protection at Your Fingertips!

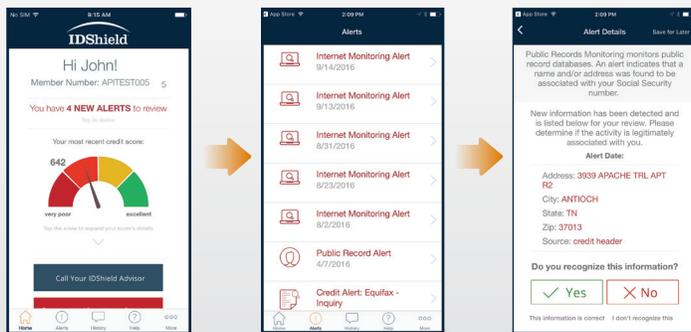

Every 2 seconds someone becomes a new victim of Identity Theft¹...Don't be one of them.

With IDShield's mobile app, monitoring, consultation and restoration are all at your fingertips. All while you are on the go, IDShield offers:

- Immediate notifications when monitoring triggers an alert
- Quick access to your credit score
- One-Touch access to your IDShield Advisor
- 24/7 Emergency Access
- A secure login with a numerical password
- Convenient case updates and call history

IDShield's App is easy to use! See for yourself how easy it is to protect yourself from Identity Theft with IDShield*.

*To take advantage of this app you must be an IDShield member.
